Which brand should I book?

We recommend to book National Car Rental at our airport locations and Enterprise Rent-A-Car at our local branches. Don't forget to use your Emerald Club number when booking with either brand.

What is the lead time when I need to rent?

Enterprise Rent-A-Car and National Car Rental will always strive to get you a vehicle. While the best practice is to book 2 weeks in advance, we ask that, at a minimum, you book at least 72 hours in advance. If this is not possible and you encounter a "sold out" situation, please contact your Account Manager for options.

What should I do if I need to amend/extend/cancel a booking?

Should you need to amend/extend or cancel a future reservation please use the same channel you used to book. Should you need to amend/extend or cancel a live rental, please contact the rental branch.

What car class do I book?

Enterprise Rent-A-Car and National Car Rental are able to offer a selection of vehicles. Please refer to your Company Travel Policy to ensure you are compliant

What about fuel?

A traveler will not be charged an additional fee if the rental vehicle is returned with the same level of fuel as originally provided. Additional refueling options may be available and will vary by location.

What if I require a rental to begin outside of working hours?

If mutually agreed and at participating locations, we will pre-deliver the vehicle the working day before and this may be subject to additional charges. Please be aware that it will only be insured to be driven from the time requested on your reservation.

What if my vehicle breaks down or I get a flat tire?

Emergency Road Assistance is available in all countries. Contact details for this service will be provided from the rental branch. Roadside assistance is provided with the rental free of charge in case of mechanical breakdown, not due to driver negligence or willful misconduct, in which case additional charges will apply.

What if I have an accident or damage my vehicle?

You are required to immediately report the incident to the police and notify the rental branch. A copy of the police report and fully completed incident report must be submitted to the rental branch.

Do I have to sign for the vehicle?

You always have to sign the rental agreement except in the following cases:

- You are an Emerald Club member who has signed a Master Rental Agreement renting in a participating location.
- You have requested a car delivery where you do not have to be present.

If you have not signed for the vehicle, please ensure you check the vehicle condition against the rental agreement prior to driving.

Accident Reporting

If involved in an accident, please ensure all involved are safe and proceed as follows:

1. The renter is to call the police and rental location immediately and within 24 hours of the accident. Roadside Assistance should be contacted if the renting location is not available.
2. The rental location or Emergency Road Service will create an Incident Report.
3. The renter should provide every summons, complaint, and paperwork pertaining to the accident to the rental branch or Roadside Assistance, including insurance information.
4. The renter should return the vehicle to the rental location as soon as possible.
5. The renter will receive a call from the Damage Recovery Unit (DRU). DRU will verify information, ask additional questions, and gather information for proceedings.
6. Renters should be aware that this process can take up to a few months depending on the information and the extent of the accident.

Roadside Assistance

Renters in need of emergency road service may call a multilingual, dedicated roadside assistance line available 24/7. Instructions for contacting the roadside assistance line are included in the rental agreement. For Emerald Club members who choose to proceed directly to the vehicle, the instructions will be located on the driver's-side visor.

Renters using the Enterprise and National apps can press the in-app Roadside button. This allows them to call 911 or be connected with our roadside team for assistance with items such as flat tires or lockouts.

Enterprise and National will leverage the HERO platform to quickly and digitally dispatch a service provider to where the problem has occurred, and request service.

Damage Waiver (DW)

If included in contractual terms, DW covers damage to the vehicle*, the cost of glass replacement, and the cost to repair/replace a flat tire (excluding service fees and towing, and unrelated to an accident).

**Certain types of damage may not be covered when damages occurred while the driver engaged in any prohibited uses or violations in the rental agreement.*
