

# Catastrophe Communication

## Description of CAT:

- Weather type: Hail
- Date & Time of Event: Evening 8/11/19
- Geographic Impact: Billings, Montana

## Impacted Branches:

- Billings, MT area

## Transportation Infrastructure Assessment:

- Not applicable

## Fleet Plan:

- We have closed out retail rental channels at home city and airport locations.
- We have opened up availability for one-way business into Billings and Bozeman.
- We are currently working with PDR companies to handle repairable cars.
- We are looking for additional cars; however, Gillette and Rapid City have recently been hit with hail as well and they are about 3+ hours away. Other cities are approximately a 12-18 hour drive from Billings.
- Car movement is limited.
- We will communicate additional information in the coming days.
